

Multiscale Modelling Methods

🕒 May 1 2026

📅 12–25 July 2026

🎓 4 ECTS

€ 870 €

📍 Brno

Gain experience understanding the vast range of molecular modeling methods and enhance your skills in performing computer simulations.

Designed for BA and MA students of chemistry and physics. Costs include tuition, accommodation, social and culture activities - including a day trip to one of the local Czech UNESCO sites.

Apply early to secure you place - final deadline is 1 May.
